OUR NEXT COUNCIL AND
LADIES AUXILIARY MEETING,
ROSARY 7:15 P.M., MEETING 7:30 P.M.**

Brothers,

I am looking forward to going to the State Convention this year and representing our Council. It has been several years since I have been there and there is always a lot of great information to absorb! Stay tuned for the update next month!!

I want to inform everyone that we are now holding meetings at the hall and virtually thru Google Meets. If we do not have your email address on file please get a hold of myself or Greg Bittner so we can add you to our email list! And yes, social distancing practices will be observed for those that want to show up in person.

I want to thank everyone that helped out during any or all of the three Lenten Dinners. As we all know many hands make for light work and as always your help is greatly appreciated and needed! So as we continue into the year there will be many opportunities for you to volunteer with an event or fundraiser! So, Get Excited to Help Out Your Council!!

Please remember to bring food pantry items to any and all meetings/events at the hall.

God Bless,
Tebe Vervaecke GK

The Glorious Mysteries of the Rosary

Brothers,

This article will cover the meaning of each Glorious Mystery.

The First Glorious Mystery: The Resurrection

This is the completion of the promise of triumph over even death itself. The sacrifice of the crucifixion has completed our redemption. The reward is everlasting life in a glorified body for those who believe and follow Him.

The Second Glorious Mystery: The Ascension

Jesus returns to the Father to assume His rightful place at the right hand of the Father. He is the judge of all the world and reigns as the King of everything. He went to heaven to prepare a place for us when this our exile is complete. No eye has ever seen nor ear ever heard the wonders that await those who love Him.

The Third Glorious Mystery: The Descent of the Spirit upon the Apostles at Pentecost

Jesus promised at His Ascension to be with always until the end of the age. He told His apostles to return to Jerusalem to await the next gift from the Father, the Spirit. Just as He promised the Spirit filled the apostles inspiring them to spread the Good News of the salvation of mankind. This was shown by the proclamation in tongues to all the inhabitants so that all who heard it heard it in their own language.

The Fourth Glorious Mystery: The Assumption of Mary both body and soul into Heaven

Mary the Mother of our Savior suffered death even as her Son did. When she died tradition has it that she was placed in her tomb. At the time of her passing not all of the apostles were there although they were en route. When they arrived shortly after her passing those who were not there insisted on paying their final respects and had the tomb opened. They found the tomb filled with fresh flowers but the body was nowhere to be found. We know that she was without sin and this gives hope that the preparing of place will be fulfilled for who love Him.

The Fifth Glorious Mystery: The Crowning of Mary as Queen of Heaven and Earth

Mary, who was granted the singular privilege of being preserved from the stain of Original Sin, was rewarded for her undying loyalty and total obedience. The king needed a queen. What better choice than a sinless virgin!

What do we learn from these things? They show the awesome power of God! He has dominion over even death itself. He sends not only His only begotten Son for our redemption but His Holy Spirit to guide us. Not only that He shows us the promise of a reward that awaits us in the afterlife. After all that He shows that His power can even elevate a lowly handmaid to that of a queen. Pray the rosary daily and ask for the help of the queen.

Happy Easter!
